We're excited about all the fun activities and events for our Children and Youth in March and April. We appreciate everyone who is pitching in to help with these important ministries. We are still looking for a few volunteers to help organize some of our Children & Youth Events in March and April.

If you can help, please talk to Robert!

Keep an eye on the Bulletin, email, and the Children & Youth Social Media Pages for more information and updates about everything our Children and Youth Ministries are doing!
